INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Capital Area Agency on Aging - District II, Inc.

Opinion

We have audited the accompanying financial statements of Capital Area Agency on Aging - District II, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Capital Area Agency on Aging - District II, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capital Area Agency on Aging – District II, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Area Agency on Aging – District II, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Capital Area Agency on Aging - District II, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Area Agency on Aging - District II, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information, description of programs on pages 18 through 20, the detailed schedule of program activities on page 21, the schedule of changes in fixed assets on page 22, and the schedule of compensation, benefits, and other payments to Agency heads on page 25 are presented for the purposes of additional analysis and are not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards on page 23 through 24, as required by Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is also not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 29, 2025 on our consideration of Capital Area Agency on Aging - District II, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Capital Area Agency on Aging - District II, Inc.'s internal control over financial reporting and compliance.

CAPITAL AREA AGENCY ON AGING -DISTRICT II, INC. NOTES TO FINANCIAL STATEMENTS

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities and reporting entity

Capital Area Agency on Aging-District II, Inc. (the Agency) is a non-profit entity incorporated in 1974 to ensure the availability of supportive, nutrition, and volunteer services to people aged 60 and older in the ten parishes surrounding the Baton Rouge capital area. It also serves as an advocate and provides leadership on behalf of the elderly. The Agency coordinates funding to the parish councils on aging and monitors their providing of services to older citizens.

Basis of accounting

The Agency prepares its financial statements on the accrual basis of accounting. Under this method of accounting, revenue is recognized when earned and expenses are recognized when incurred.

Basis of presentation

Financial statement presentation follows the guidance of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). Under those standards, the Organization is required to report information regarding its financial position and activities under two classes of net assets as follows:

Net assets without donor restrictions - resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions - resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue and expense recognition

Contributions and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Agency reports gifts of cash and other assets as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When donor restrictions expire, that is, when the stipulated time restriction ends or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

The Agency evaluates contributions and grants to determine whether they are conditional or unconditional. Conditional contributions contain one or more barriers and a right of return or release of the transferred assets and are recognized as revenue only when the related conditions are substantially met. Amounts received prior to meeting the conditions are recorded as refundable advances.

For grant revenues that are deemed to be exchange transactions, the Agency applies the following five-step process:

- Identification of the contract with the customer;
- Identification of the performance obligations of the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the identified performance obligations; and
- Recognition of revenue when (or as) the Agency satisfies the identified performance obligations.

The Agency receives grant funding from federal agencies, state and local governments, and private sources. Grant revenue from grants determined to be exchange transactions is recognized over time as services are provided and the grantor receives the benefits of those services. Revenue is recognized only to the extent of allowable expenditures under the terms of the grants. Advance payments from grantors are recorded as refundable advances until the related performance obligations are satisfied. Costs incurred in excess of reimbursable amounts under grant agreements are borne by the Agency.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Fixed assets and depreciation

Acquisitions of property and equipment amounting to \$1,000 or more are capitalized. Fixed assets are carried at cost less accumulated depreciation. The assets are depreciated for financial reporting purposes using the straight-line method over estimated useful lives of five to ten years. When property is retired or otherwise disposed of, the accounts are relieved of the applicable cost and accumulated depreciation, and any resulting gain or loss is reflected in operations.

Donated services

The Agency recognizes donated services as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by individuals possessing those skills, and would otherwise be purchased by the Agency. No donated services meeting these criteria were recognized during the years ended June 30, 2025 and 2024.

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash

For the purpose of the statement of cash flows, the Agency considers all cash and short-term savings to be cash.

Under the requirements of its grant funding from the State of Louisiana, the Agency must collateralize cash balances held in financial institutions that are in excess of federal deposit insurance. Such deposits are collateralized under a security pledge arrangement with the financial institution which meets the requirements of state law.

Prepaid expenses

The cost of insurance and other services for which benefits extend over more than one accounting period have been recorded as prepaid and are expensed in the period to which they apply.

Functional expenses

The cost of providing various programs and activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated between program services and supporting services benefited. Salaries and wages, related payroll taxes, and benefit allocations are determined by management on an equitable basis based on time and effort.

Budget policy

Budgets for the various programs are prepared by the Agency's Chief Financial Officer, reviewed by the Executive Director, and approved by the Agency's Board of Directors and program grantors. Appropriations from the Governor's Office of Elderly Affairs under Federal Title III lapse at year end. Title IV and other federal appropriations lapse at the federal fiscal year end. Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The Agency may transfer funds between budgetary line items as often as required but must obtain prior approval from the Governor's Office of Elderly Affairs with respect to funds received under contracts from that agency.

Receivables and credit losses

Receivables are reported at their net realizable value. Management estimates an allowance for credit losses based on historical experience, current conditions, and reasonable and supportable forecasts. Management has determined that an allowance for credit losses is not necessary as of June 30, 2025 and 2024.

Annual and sick leave

Employees of the Agency are entitled to paid vacation, depending on their length of service. The Agency has recorded a liability for the unused vacation attributable to all eligible employees at the employee's current rate of pay. Because accrued sick leave lapses upon termination, no amount has been accrued.

Advertising costs

The Agency expenses advertising costs as incurred.

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income tax status

The Agency, a nonprofit corporation, is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the financial statements.

The Agency accounts for income taxes in accordance with the income tax accounting guidance included in the FASB ASC. Under this guidance, the Agency may recognize the tax effect from an uncertain income tax positions only if it is more likely than not that the tax position will be sustained on examination by tax authorities. The Agency has evaluated its tax positions regarding the accounting for uncertain income tax positions and does not believe that it has any material uncertain tax positions.

The Agency is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

Leases

The Agency accounts for leases using a right-of-use (ROU) model, which requires recognition of an ROU asset and a lease liability for leases with terms greater than twelve months. Leases are classified as either operating or finance, with classification affecting the pattern of expense recognition in the statement of activities.

The lease liability is measured at the present value of future lease payments. The Agency has elected the practical expedient to use a risk-free interest rate, determined at lease commencement and based on the lease term, to discount lease payments, as the leases do not provide an implicit rate.

The Agency has also elected the short-term lease practical expedient and does not recognize ROU assets or lease liabilities for leases with an initial term of twelve months or less. Lease payments for such leases are recognized as lease expense on a straight-line basis over the lease term.

B: FIXED ASSETS

The following is a summary of fixed assets at cost, less accumulated depreciation:

	2025	2024
Computer and related equipment	\$ 7,373	\$ 7,373
Office equipment	-	19,968
Furniture and fixtures	3,421	3,421
	<u>10,794</u>	<u>30,762</u>
Less accumulated depreciation	(8,042)	(26,765)
	<u>\$ 2,752</u>	<u>\$ 3,997</u>

Depreciation expense was \$1,245 for each of the years ended 2025 and 2024.

C: PENSION AND DEFERRED COMPENSATION PLANS

The Agency administers a defined contribution pension plan covering all employees with one year or more of service. Employer contributions amounting to 5% of an employee's salary are made annually and benefits are fully and immediately vested. Pension expense of \$31,883 and \$39,493 including administrative charges, is reported in fringe benefits for 2025 and 2024, respectively.

The Agency also maintains a voluntary salary reduction tax deferred compensation plan for employees electing to participate. The Agency does not make any contributions to this plan.

D: RECEIVABLES ON FUNDING CONTRACTS

Receivables on funding contracts at June 30, 2025 and 2024, consist of the following:

	<u>2025</u>	<u>2024</u>
Governor's Office of Elderly Affairs:		
SCSEP Program	\$ 117,719	\$ 152,602
Medicare Enrollment Assistance Program	-	1,730
ARP III C-1 Area Agency Administration	-	7,267
ARP III C-1 Nutritional Services	-	5,164
ARP III C-2 Nutritional Services	-	29,285

NSIP Cash in Lieu	1,913	112,992
	<u>\$ 119,632</u>	<u>\$ 372,494</u>

E: LEASE OBLIGATIONS

The Agency leased office space under an operating lease on a month-to-month basis with monthly rent of \$4,505. The lease was terminated during the year ended June 30, 2025. Lease expense related to this lease was \$40,543 and \$54,057 for the years ended June 30, 2025 and 2024, respectively.

The Agency leases its office space under a lease accounted for as an operating lease that commenced on April 1, 2025. The noncancelable lease term is ten years and expires on April 30, 2035. The lease provides for monthly rental payments ranging from \$4,160 to \$4,447. Total operating lease cost related to this lease was \$12,481 for the year ended June 30, 2025.

The operating lease liability was measured using a weighted-average discount rate of 4.17%, which represents the ten-year risk-free rate in effect at lease commencement. The weighted-average remaining lease term for operating leases as of June 30, 2025 was 9.75 years.

F: LEASE OBLIGATIONS (Continued)

Future undiscounted lease payments under operating leases as of June 30, 2025 are as follows:

Years Ending June 30	
2026	\$ 49,923
2027	49,923
2028	49,923
2029	49,923
2030	50,784
Thereafter	253,493
	<u>503,969</u>
less amounts representing interest	(91,846)
	<u><u>\$ 412,123</u></u>

G: BOARD OF DIRECTORS' COMPENSATION

Service on the Board of Directors is voluntary and, therefore, members are not compensated in the form of a per diem. Members of the Board are reimbursed for travel expenses. There were no reimbursements in 2025 or 2024.

H: ECONOMIC DEPENDENCY

The Agency receives the majority of its revenue from grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and Louisiana state governments. If significant budget cuts are made at the federal and/or state level, the Agency's funding could be reduced significantly and have an adverse impact on its operations. However, management is not aware of any actions by Agency funding sources that will adversely affect operations in the next fiscal year.

The Agency receives support from a number of sources. Significant among those are the following, reflecting their percent of total revenues provided in 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Governor's Office of Elderly Affairs	74%	77%
Local Support - Title IIIC-1/IIIC-2 Meals	25%	21%

J: FEDERALLY ASSISTED AND OTHER GOVERNMENT PROGRAMS

Federal and state assistance programs represent an important source of funding for the Agency. The federal programs are audited annually in accordance with the Uniform Guidance. Other programmatic audits may be conducted by grantor agencies. Prior audits have not resulted in any significant disallowed costs. However, grantor agencies may conduct or require additional examinations which could result in the cancellation of grants or contracts, the disallowance of costs charged to the grant or require the repayment of any questioned costs identified, and such repayments may be material to the financial statements.

K: SUBCONTRACTOR AUDITS

All Council on Aging subcontractors and certain other entities receiving funding from the Agency are responsible for having an independent audit performed in accordance with government auditing standards and, additionally, in accordance with the Single Audit Act if federal expenditures exceed specified thresholds.

L: NET ASSETS

Net assets with donor restrictions consist of funds designated by donors or grantors for specific purposes or programs and total \$423,514 and \$484,788 at June 30, 2025 and 2024, respectively.

Net assets were released from donor restrictions by incurring expenses satisfying the purpose restrictions specified by donors as follows:

	<u>2025</u>	<u>2024</u>
Purpose restriction accomplished:		
Area Agency Administration	\$ 261,138	\$ 312,474

Volunteer Recruiter	-	68,202
Total restrictions released	<u>\$ 6,720,909</u>	<u>\$ 6,976,245</u>

M: CONCENTRATIONS OF CREDIT RISK

The Agency maintains deposits in a local financial institution with balances at times that may exceed the \$250,000 federal insurance provided by the Federal Deposit Insurance Corporation. At June 30, 2025, collateral in the amount of \$899,667 was provided to cover deposits in excess of federal insurance coverage, as required.

N: CONTINGENCIES

The Agency receives a portion of its revenues from government grants and contracts, all of which are subject to audit by the governments. The ultimate determination of amounts received under these programs generally is based upon allowable cost reported to and are subject to audit by the government. Until such audits, if any, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

O: LIQUIDITY

The following represents the Agency's financial assets as of June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Financial assets at year end:		
Cash	\$ 1,129,766	\$ 635,801
Receivables	326,311	626,442
Total financial assets	<u>1,456,077</u>	<u>1,262,243</u>
Less amounts unavailable to be used for general expenditures within one year, due to donor restrictions	<u>423,514</u>	<u>484,788</u>
Total financial assets available to management for general expenditures within one year	<u><u>\$ 1,032,563</u></u>	<u><u>\$ 777,455</u></u>

The Agency maintains a practice of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

P: NON-CASH INVESTING AND FINANCING ACTIVITIES

During the year ended June 30, 2025, the Agency recognized a noncash right-of-use asset of \$421,711 arising from the commencement of an operating lease.

There were no non-cash investing and financing activities in fiscal year 2024.

Q: SUBSEQUENT EVENTS

Subsequent events were evaluated through December 29, 2025, which is the date the financial statements were available to be issued.

SUPPLEMENTAL INFORMATION

Regional Office of LA Aging and Disability Resource Center (ADRC) and SenioRx

The Agency is designated by the Governor's Office of Elderly Affairs as the Aging and Disability Resource Center (ADRC) for a 13-parish area. The ADRC offers a "one-stop-shop" for public and private programs at the community level that will help individuals who are 60 years and older and individuals with adult-onset disabilities. This program helps consumers find the answers and information needed to improve their health, independence and quality of life. The Louisiana Senior Prescription Drug Program, operating through the ADRC, links qualified low-income and disabled adults to free or discounted drugs directly from the pharmaceutical manufacturer.

N.S.I.P. Program

The Nutritional Services Incentive Program (N.S.I.P.) administered by the U.S. Department of Health and Human Service is used to account for the administration of Food Distribution Program funds, through the Louisiana Governor's Office of Elderly Affairs, which "passes through" the funds to the Capital Area Agency on Aging. This program reimburses the area agencies on a per unit basis for each congregate and home delivered meal served to an eligible participant so that U.S. food and commodities may be purchased to supplement these programs.

Utility Assistance Program

The Utility Assistance Program is used to account for the administration of programs sponsored by local utility companies who collect contributions from service customers and employees. These contributions and the utility companies' corporate donations are remitted to the Agency which "passes through" the funds to the various councils to provide assistance to the elderly with emergencies in the payment of energy costs.

Medicare Enrollment Assistance Program

The Medicare Enrollment Assistance Program is used to provide outreach to eligible Medicare beneficiaries regarding the benefits available under federal and state programs for older Americans. This program is also used to conduct research, demonstrations, and evaluations for high-quality health care at a reasonable cost. The program will focus on expanding agency efforts to improve the efficiency of payment, delivery, access and quality of our health care programs.

Evidence-Based Wellness

The Evidence-Based Wellness Program deploys evidence-based chronic disease self-management programs targeted at older adults with chronic conditions to maintain and improve their health status.

Title III B, Long Term Care Ombudsman Services

The Title III B, Long Term Care Ombudsman provides funding to design and implement programs for the provision of long-term care ombudsman services for individuals living in long-term care facilities.

Senior Community Services Employment Program

The Senior Community Service Employment Program is a community service and work-based job training program for older Americans. Authorized by the Older Americans Act, the program provides training for low-income, unemployed seniors. Participants also have access to employment assistance through American Job Centers.

Expanding the Public Health Workforce (STPH)

The Title III C Program accounts for the revenues and expenditures of federal grants for providing training related to selected mental health topics, selected nutrition topics, and first aid certification to seniors, Council on Aging, and staff of other interested community organizations. These funds are provided in the same manner as Title III-B above.

Other Programs

Other grants and contributions may be used to support various programs as the need arises.

CAPITAL AREA AGENCY ON AGING – DISTRICT II, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
June 30, 2025

NOTE A—BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Agency under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Agency, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Agency.

NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE C—INDIRECT COST RATE

The Agency has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Board of Directors
Capital Area Agency on Aging - District II, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Capital Area Agency on Aging – District II, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 29, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Capital Area Agency on Aging - District II, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Capital Area Agency on Aging - District II, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of Capital Area Agency on Aging - District II, Inc.'s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Capital Area Agency on Aging - District II, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana R. S. 24:513, this report is distributed by the Legislative Auditor as a public document.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

The Board of Directors
Capital Area Agency on Aging - District II, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Capital Area Agency on Aging - District II, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Capital Area Agency on Aging - District II, Inc.'s major federal programs for the year ended June 30, 2025. Capital Area Agency on Aging - District II, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Capital Area Agency on Aging - District II, Inc. complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Capital Area Agency on Aging - District II, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Capital Area Agency on Aging - District II, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Capital Area Agency on Aging - District II, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Capital Area Agency on Aging - District II, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Capital Area Agency on Aging - District II, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Capital Area Agency on Aging - District II, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Capital Area Agency on Aging - District II, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Capital Area Agency on Aging - District II, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
